| Principle | EQUALITY STATEMENT  |
|           | Legal Duties  |
|           | As a school we welcome our duties under the Equality Act 2010. The general duties are to:   |
|           | <ul> <li>eliminate discrimination, harassment and victimisation</li> <li>Advance equality of opportunity</li> <li>foster good relations</li> </ul>  |
|           | We understand the principles of the act and the work needed to ensure that<br>those with protected characteristics are not discriminated against and are<br>given equality of opportunity.  |
|           | A protected characteristic under the act covers the groups listed below:  |
|           | <ul> <li>age (for employees not for service provision)</li> <li>disability</li> <li>race</li> </ul>   |
|           | <ul> <li>sex (including issues of transgender)</li> </ul>   |
|           | <ul> <li>maternity and pregnancy</li> </ul>   |
|           | <ul> <li>religion and belief</li> </ul>   |
|           | sexual orientation  |
|           | <ul> <li>marriage and civil partnership (for employees)</li> </ul>  |
|           | In advancing equality of opportunity:   |
|           | <ul> <li>we aim to remove or minimise the disadvantages suffered by people<br/>due to their protected characteristics;</li> </ul>   |
|           | <ul> <li>we aim to meet the needs of people with certain protected<br/>characteristics where these are different from the needs of other<br/>people;</li> </ul>   |
|           | <ul> <li>we encourage people with certain protected characteristics to<br/>participate in public life or in other activities where their participation<br/>is disproportionately low.</li> </ul>  |
|           | In order to meet our general duties, listed above, the law requires us to do<br>some specific duties to demonstrate how we meet the general duties. these<br>are to:  |
|           | <ul> <li>publish equality information - to demonstrate compliance with the general duty across its functions. (We will not publish any information that can specifically identify any child)</li> <li>prepare and publish equality objectives.</li> </ul> |

|         | To do this we will collect data related to the protected characteristics above<br>and analyse this data to determine our focus for our equality objectives. The<br>data will be assessed across our core provisions as a school. This will include<br>the following functions: |
|---------|--|
|         | admissions   |
|         | attendance   |
|         | <ul> <li>attainment and progress</li> <li>exclusions</li> </ul>  |
|         | <ul> <li>prejudice related incidents</li> </ul>  |
|         | <ul> <li>participation</li> </ul>  |
|         | Our objectives will detail how we will ensure equality is applied to the functions listed above. However, where we find evidence that other functions have a significant impact on any particular group, we will include work in this area.                                    |
|         | We use evaluation and data collection to inform our decision making and assess the impact on equality of our decision making, policies and practices.  |
|         | We also welcome our duty under the Education Act 2011 to demonstrate how the education we provide meets the needs of the range of learners at the school.  |
|         | We recognise that these duties reflect international human rights standards as expressed in the UN Convention on the Rights of the Child, the UN Convention on the Rights of People with Disabilities, and the Human Rights Act 1998.  |
|         | In fulfilling our legal obligations we will:   |
|         | <ul> <li>recognise and respect diversity</li> </ul>  |
|         | <ul> <li>foster positive attitudes and relationships, and a shared sense of<br/>belonging</li> </ul>   |
|         | <ul> <li>tackle prejudice and promote understanding between people from<br/>different groups</li> </ul>  |
|         | <ul> <li>observe good equalities practice, including staff recruitment,</li> </ul>   |
